ScribeEC Series

Standalone CD-R/DVD-R Duplication System

Professional-Grade Duplication

The ScribeEC standalone automated series provides the power of automated duplication in an economical and easy to use system requiring no PC. All models in the ScribeEC Standalone Series feature one-button operation, making them as easy to use as a photocopier!

Endless Configurations

Configure the ScribeEC Standalone Series to meet your exact needs! Choose the 2, 4, or 6 drive model with 52X CD-R ProDRIVES or 8X DVD±R/24X CD-R drives and add a thermal or inkjet printer for a complete publishing system! Or choose the 6-drive CD-R or DVD-R model for lightening-fast, efficient duplication.

3704EC with Thermal Print

Features

- Large Disc Spindle Capacity holds up to 600 discs
- Compatible with inkjet AND thermal printers
- Flexibility Choose from 2, 4, or 6 drives
- Available in CD-R OR DVD±R
- Includes license-free client software for network connectivity - submit, edit and check status of duplication or print jobs from anywhere on your network!

Advanced Features

Relay Mode allows you to copy from multiple masters with no user intervention and Asynchronous Duplication/Printing allows each drive to operate fully independent of the others. Put these together for lightning-fast, unattended operation! Plus, the ScribeEC Standalone Series includes audio track extraction - great for making audio compilations.

Drive Technology

The ScribeEC Standalone Series features exclusive CD-R ProDRIVE technology, offering enhanced professional audio capabilities. And thanks to the ProDRIVE, MF DIGITAL duplicators are the only ones that allow 100% verification of audio
